During the summer of 2016, Bartlesville Football will have a Speed and Strength program called Summer Pride. Summer Pride will be for grades 3-12. We will begin on Mon., June 6th and finish on Thursday, July 21st. Summer Pride will meet three days a week, **Monday, Wednesday and Thursday**, at the High School weight room. Summer Pride will be run by Head Coach John McKee and the varsity football coaching staff. The Bruin Summer Pride program is a high intensity summer conditioning program in preparation for the upcoming season. It is designed to increase your speed, strength, power, agility and flexibility. This is a working program. There is no way to get quicker, stronger, etc. without hard work. Plan on it, expect it, and do not settle for anything less. The cost of attending Summer Pride will be \$85 which includes a Camp T-Shirt. In addition to Summer Pride 8-9 will participate in a Summer Skills Camp July 13-14th @ 11am Custer Stadium, and the High School 9-12 will compete in a 7on7 Camp (TBA). The cost of each of these camps is \$25. **Lunch will be provided daily.**
