

Dear Bruin Parent,

I want to take a few minutes to express to you how excited I am to serve as the new Head Football Coach here at Bartlesville High School. I look forward to meeting and working with you. As a football coach, my *purpose* is to help your child grow in character, academics, and maturity, while my *goal* is to help him succeed athletically! It is important to me that you know that our coaching staff will not seek to use kids to win the game, but rather we will strive use the game to win kids. I truly believe that the game of football, if used correctly, can be instrumental in helping to mold young men into strong husbands, dads, and future leaders in our community. If your son expresses a desire to be a part of our program, I encourage you to take a look at the attached information. God bless, and GO BRUINS!
