SUMMER WORKOUTS

Phase-In to Bartlesville athletics summer activities is set to start on June 15th. Our coaching staff was elated when we received approval to return to summer workouts. The workout schedule will look a bit different, but the quality of the workouts will not change. Safety is the top priority for our coaches and players.

During the first phase of our summer pride workouts we will limit the size of each workout group to a maximum of 16 players. We will start group one check-in at 8am, and check-in a new group every 30 minutes. Our first 4 sessions will be reserved for 10th- 12th grade players and the last 2 sessions will be for any 8th/9th football player. Phase one workouts will last 60 minutes.

Online registration for summer workouts and safety guidelines can be found at bartlesvillefootball.com/

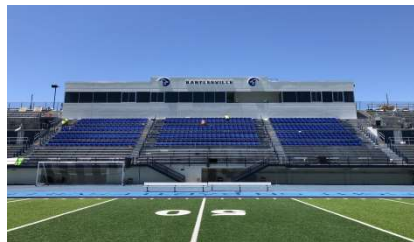

TEAM STORE

Bruin Football Team Store is now open. Bartlesville players, parents, and fans can shop the newest gear that the Bruins will be wearing this fall. We would like all 9th - 12th grade players to purchase the "Team Pack" which includes the UA Columbia Blue Locker T Shirt and the UA Navy Blue Shorts. The store will close at the end of the day on June 15th. Click the link to start shopping.
